Mike is an outstanding REALTOR. He has helped my family buy and sell 4 homes in Milton over the years. Two of the homes needed complete makeovers and Mike managed that entire process for us with his contractors. The homes all sold in days for fantastic prices.

Michael helped me sell one home and buy a new one at the same time. He was referred to us and we had some reluctance with an unknown agent, but what a pleasure! He got us the right buyer at the right price, and helped us find the perfect fixer upper opportunity.

Due to many corporate relocations, we have had the opportunity to work with lots of real estate agents over the years. No one compares to Mike Stevens. He sold our Crooked Creek home in 1 day and at a record price. Mike is truly 'Best in Class.' He goes above and beyond the call of duty to get the deal done. His expertise and integrity are unmatched.
